## LCD Monitor 2230Fm

### Features:

#### Digital Media Player Engine

Play multimedia (video, music and photo) without a PC.  
Supports SD/XD, MMC, MC, USB input.

Remote Control

#### Piano black bezel

Piano black glossy finish.

Diamond-cut engraved rear cover.

#### Super-fast Response time

2ms super-fast response time, displays motion images without blurring.

#### HDMI Interface

HDMI (High Definition Multimedia Interface) transfers uncompressed digital audio and video for the highest image quality. User can easily connect the monitor to other consumer electronics such as DVD players to enjoy multimedia content.

#### HDCP Ready

High-Bandwidth Digital Content Protection allows users to watch digital content legally and to display high definition images via DVI inputs without any distortion.

#### Multi-colour Menu Icons

Complementary to the navigation key, the new OSD menu not only looks more graphically-appealing, but also more user-friendly than the typical OSD control today.

#### 20000:1 Dynamic Contrast Ratio

DCR increases the contrast between black and white over 20000:1  
DCR is perfect for watching movie and video content.
